He Builds With One Hand And Pulls Down With The Other

A work for Stocktake at AirSpace by Rich White

Instructions for installation:

1. Print out this document at A4. Make sure you keep the pages in order.
2. Put this page and the cover page aside for reference.
3. Arrange the 30 fullpage images on a wall from top-left to bottom-right in five rows of six images (as shown on the cover).
4. You may fix the images to the wall in any way you wish: pins, wallpaper paste, individually framed and hung, all in one giant frame etc...
5. You may or may not leave gaps between the images, it is up to you.
6. Take some photos of the finished piece and send them to me please.

Any questions or problems, drop me line or give me a call:
